**LETTER OF PRAISE: MR P. GOPAUL**

1. The above matter refers. The Matric revision programme hosted on Radio Lotus has reference.
2. I write in praise of Mr P. Gopaul, HOD at Siphesihle Secondary in Trenance Park, Verulam and of his excellent presentation of subject content on air.
3. Mr Gopaul is very knowledgeable in Accounting and his articulate manner of conveying same to the listeners impressed me. His tone is one of infectious enthusiasm and prompted me to listen. His presentation is methodical and lucid, clearly revealing his vast experience as an educator.
4. Having listened to him on many occasions I can conclude that Mr Gopaul takes his work seriously and places the interest of the learners first. He has demonstrated decided ability as an educator and I am certain that the hundred of learners who have passed through his hands are indeed richer for the experience.
5. If he continues to pursue his vocation with the sincerity and dedication as displayed at present, he would not go unrewarded. May greater heights beckon!
6. Kindly bring the contents of this communication to the attention of Mr Gopaul.

Yours in education.
